

Sponsorship Opportunities

Corporate Sponsorship and STEM Tour Host • \$10,000 - \$50,000

Empowered girls power the world and your organization can help impact a girl interested in science, technology, engineering and mathematics (STEM). Our corporate sponsorship packages offer a variety of customizable partnership opportunities enabling you to align your philanthropic, marketing and community relations objectives with STEM education, outreach and workforce development for our girls.

Scholarship Naming Sponsor • \$5,000 Minimum

With the opportunity to sponsor a scholarship, you can allow girls in Central Florida to foster their passion in STEM related careers. Your sponsorship would allow naming of the scholarship as well as a Social Media Spotlight featuring the Scholarship Recipient.

Table Host • \$600

Interested in being a table host at a Tech Sassy Girlz event where you can speak to the girlz as well as their parents? This donation guarantees a table at an event of your choice and have an opportunity to provide goody bag items.

Contact us for more details.

Contact Laine Powell for additional information and/or to customize your sponsorship opportunity at:
